

INSTRUCTIONS: Start typing in your name after, "made by" in the blue highlighted fields below. Then print on white 8.5" x 11" size label or card stock sheets. Be sure to set your printer at the highest quality print setting for maximum results. Using a paper cutter (or a pair of scissors), cut along the visible crop marks to make your 4" x 6" size labels.

TERMS: This free PDF file is for personal-use only. Re-sale of this file as a digital and printed document in any form for any digital and printed medium are strictly prohibited.
